RE: PSC Final Order Case No. 2010-00351

Dear Mr. Lovan:

The ordering paragraphs in the final order of Case No. 2010-00351 dated Nov. 8, 2010 states the following:

*NKWD shall furnish documentation of the total costs of this project, including the cost of construction and all other capitalized costs (engineering, legal, administrative, etc.), within 60 days of the date that construction is substantially completed. Construction costs shall be classified into appropriate plant accounts in accordance with the Uniform System of Accounts for water utilities prescribed by the Commission.*

*NKWD shall file a copy of the "as-built" drawings and a certified statement that the construction has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of the substantial completion of the construction certificated herein.*

Will you please update me on the progress which has been made on the hydraulic improvement project? Thanks you for your attention to this matter.

Sincerely,

Linda Faulkner  
Director of Filings
